

TANNAZ KHALILI

FRONTEND DEVELOPER

Tehran, Iran | +98 910 211 0248 | Khalili.tannaz@gmail.com | [linkedin.com/in/tannaz-khalili](https://www.linkedin.com/in/tannaz-khalili) | tkhalili70.github.io/portfolio

Frontend Developer with over 7 years of experience building scalable, reusable UI components for the banking and logistics sectors. Specialised in Angular and React ecosystems, with a strong focus on performance, clean architecture, and cross-functional collaboration. Proven track record of optimizing data loading times, delivering modular form architectures, and working seamlessly within Agile teams.

EXPERIENCE

FRONTEND DEVELOPER

Sadad Informatics Corporation | Banking (05/2022 - Present)

- Led development of modular Angular components used across 5+ internal banking portals.
- Collaborated with backend teams on REST API integration.
- Championed code-review practices and contributed to team coding standards.
- Implemented 80%+ of loan and facilities forms for Bank Melli Iran, covering end-to-end user flows.
- Delivered reusable Angular form architecture adopted across multiple banking modules, reducing duplication.

FRONTEND DEVELOPER

Rahyab Rayaneh Gostar Transport & Logistics (07/2021 - 03/2022)

- Built dynamic data-grid dashboards using DevExtreme for real-time shipment tracking.
- Worked in an Agile team of 6, delivering sprint goals consistently on schedule.
- Contributed to logistics tracking UI at Rahyab, gaining cross-industry frontend experience.

FRONTEND DEVELOPER

Osveh Banking (03/2019 - 06/2021)

- Developed and maintained customer-facing banking features with Angular & PrimeNG.
- Integrated MySQL-backed APIs and optimised queries in collaboration with backend engineers.
- Ensured cross-browser compatibility and accessibility across all delivered features.
